Short description	<p>The aim of the HOMING programme is to improve the human potential in the R&D sector by financing breakthrough projects designed as postdoctoral fellowships, carried out by young doctors (postdocs) from all over the world (regardless of nationality), with a special focus on the return to Poland of outstanding scientists of Polish descent, at research units or companies in Poland, working in the most innovative areas, with the involvement of a scientific partner, i.e. local or foreign research partner. Financing under the HOMING programme will be provided to projects whose subject matter is listed on the National Smart Specialization (NSS; PL – KIS) list. In the HOMING programme, the participation of at least one scientific partner from Poland or another country is mandatory.</p>
