Short description	<p>Jean Monnet - Higher education institutions actions</p> <p>These support teaching and research in the field of European Union studies worldwide, covering the study of Europe in its entirety, with particular emphasis on the EU dimension, from an internal but also from a global perspective. The scope of EU studies can be varied as long as the EU angle is explored.</p> <p>EU studies should promote active European citizenship and values and deal with the role of the EU in a globalised world, enhancing awareness of the Union and facilitating future engagement as well as people-to-people dialogue.</p> <p>Teaching and research activities at higher education institutions:</p> <p>Jean Monnet Modules: Short teaching programmes or courses in the field of European Union studies.</p> <p>Jean Monnet Chairs : Teaching posts with a specialisation in European Union studies practiced by university professors.</p> <p>Jean Monnet Centres of Excellence: Pooling knowledge and competence on European Union subjects. They also play a key role in reaching out to students from faculties not normally dealing with EU studies.</p> <p>Jean Monnet Networks in Higher Education: Support to large thematic networks to bolster the policy debate.</p>
