

The search engine of transnational, intersectoral and/or interdisciplinary mobility opportunities funded under domestic and foreign programs/ actions operated by Research Services Office	
Target group	
Bachelor's students	No
Master's students	No
Foreign students	No
Master's degree holder with 4 years of research experience	No
PhD candidates	No
PhD	YES (up to 2 years from PhD exam prior application)
Professor	No
Foreign researchers	YES
Research institutions	No
Programme	EMBO Fellowships
Subprogramme/action	EMBO Long-Term Fellowships / EMBO Short-Term Fellowships
Outgoing	YES
Incoming	YES
Research	<p>Career development of postdoctoral researchers in the field of molecular biology through international mobility including returning to their home laboratories with new skills as well as contacts for future collaborations.</p> <p>Long-Term Fellowships: Awarded for a period of up to 24 months and support post-doctoral research visits to laboratories throughout Europe and the world (international exchange). Applications to go to the country, department, institute or lab in which the PhD was obtained or to work again with the PhD supervisor will not be considered.</p> <p>Short-Term Fellowships: It funds research exchanges of up to 3 months between laboratories in eligible countries to facilitate collaborations (joint research work rather than consultations) with research groups applying techniques that are unavailable in the applicant's laboratory. They cover travel & subsistence of the fellow only and not of dependents. They are not awarded for exchanges between two laboratories within the same country.</p>
Deadlines	<p>Continuous call.</p> <p>Long-Term Fellowships: Two cut-off dates every year: second Friday of February (to 2:00 pm CET), second Friday of August (2:00 pm CET).</p> <p>Short-Term Fellowship: It is recommended to apply 3 months before the proposed fellowship starting date.</p>
Source of funding	European Molecular Biology Organization
