Education	No
Training	<b>YES</b>
<b>Short description</b>	<p>This action is meant for organisations such as <b>universities, research centres or companies</b> - that propose a <b>short term exchange to their staff</b>. Proposals should include <b>at least three partners</b>, which can be universities, research institutions, or non-academic organisations (<b>project consortium</b>). Small and medium-sized enterprises (SMEs) are encouraged to participate.</p> <p>Partner organisations should be from <b>three different countries</b>. At least <b>two of these should be from the EU or associated countries</b>. Partners from elsewhere in the world can also join. If the exchange happens between <u>EU or associated countries</u>, it must be <b>intersectoral</b>. <b>In worldwide partnerships, exchanges within the same sector are possible</b>. Partners get together and propose a joint project. Proposals should highlight <b>networking opportunities, sharing of knowledge</b> and the <b>skills development</b> of staff members.</p> <p><u>Research staff of any nationality and any career level</u> (from postgraduates to experienced researcher) can undertake a secondment. <u>Staff members working in managerial, technical or administrative roles</u> can also be seconded.</p> <p><b>Max. project duration: 48 months</b>  <b>Staff secondments: 1-12 months to the consortium members.</b>            Projects are based on Research and innovation activities, involves organization of training schools and conferences.</p>
<b>Deadlines</b>	Every year, March
